

Funder Alignment Committee Meeting Agenda

May 1, 2017, 1pm-3pm

Location: TBD

The All Home Strategic Plan commits to reducing racial disparities of those experiencing homelessness. Nearly two thirds of people experiencing homelessness are people and families of color. Institutional and systemic racism contributes to the oppression of people of color, creating inequity, poverty and in some cases, homelessness. Success in reducing racial disparities and creating effective systems both for a dignified emergency response and housing, will require bold action and shared accountability. This commitment will include the proactive reinforcement of policies, practices, attitudes and actions to produce equitable power, access, opportunities, treatment, impacts, and outcomes for all.
