

MOVING TO ACTION: *Ending Homelessness through Racial Equity*

Learning & Reflections

Please use this tool to track your learning and reflections from the day. This is a tool for your use and personal development/action planning only.

Reflections from the Data

What is my role in impacting outcomes for people of color?

What will I do next with this information?

Reflections from the Keynote

How did the comments from the keynote impact me?

What will I do with this information?

Reflections from Workshop 1

What did I learn during the workshop?

What will I do as a result of my learnings?

Reflections from Workshop 2

What did I learn during the workshop?

What will I do as a result of my learnings?

Reflections from the Day

In what areas are we doing well?

In what areas do we need to improve?

How did the summit impact my heart set, mind set and skill set?

What is the first step I need to take to act on my learnings?

How will I engage my organization or program in addressing racial equity?
