

Are you experiencing or have you experienced homelessness in King County and want to impact local homeless policies?

All Home is seeking people who are experiencing or who have experienced homelessness in King County to join the Consumer Advisory Council (CAC). The CAC provides input and recommendations to the All Home Coordinating Board members who are accountable for making decisions about how to prevent and end homelessness in King County.

CAC membership is accepted on an on-going basis, filling vacant positions on a quarterly basis. There will be 12 – 15 members at a given time. CAC member commitments include:

- Participate for a minimum of 6 months, with the opportunity of serving up to 2 years
- Attend monthly 1.5 hour, evening meetings
- Make recommendations to the All Home Coordinating Board and work with other CAC members to inform the vote of the 2 consumer representatives on the Coordinating Board
- Share from your own experiences of homelessness, not on behalf of an agency
- Inform and lead ways to gather consumer input separate from the CAC
- Respect the views and experiences of other members of the CAC

Members will be compensated for their participation through grocery store stipends in the following increments:
