Call-In Number: 206-263-8114

Conference ID: 464806#

**Theory of Change:** *If we create a homelessness response system that centers customer voice, then we will be able to focus on responding to needs and eliminating inequities, in order to end homelessness for all.*

*The All Home Strategic Plan commits to reducing racial disparities of those experiencing homelessness. Nearly two thirds of people experiencing homelessness are people and families of color. Institutional and systematic racism contributes to the oppression of people of color, creating inequity, poverty and in some cases, homelessness. Success in reducing racial disparities and creating effective systems both for a dignified emergency response and housing, will require bold action and shared accountability. This commitment will include the proactive reinforcement of policies, practices, attitudes and actions to produce equitable power, access, opportunities, treatment, impacts and outcomes for all.*

## 2019 HUD CoC NOFA Overview

- ✓ The Tier 1 / Tier2 ranking approach continues. Tiers are financial thresholds based on the value of the CoC annual renewal demand (ARD) - the base amount for which we are eligible to apply. The percentage is determined by HUD. Tier 2 is effectively 6% in 2019.
- ✓ Each CoC is required to rate and rank each of its projects according to locally developed criteria. HUD continues to apply its own selection criteria which include prioritizing permanent housing, as well as low barrier housing serving literally homeless households, performance, and strategic use of resources.
- ✓ Reallocation remains an option for the creation of NEW Permanent Housing projects either (1) Permanent Supportive Housing (PSH) projects for chronically homeless, (2) Dedicated Plus projects, 3) Rapid Re-Housing serving homeless individuals and families who come directly from streets or shelter, or 4) “Joint Component” (Rapid Rehousing / Transitional Housing).
- ✓ Bonus funding is available at 5% of the ARD for new Permanent Housing Projects. Further information regarding the Bonus opportunity will be available once the application is available.
- ✓ Domestic Violence Bonus: HUD is making available an additional \$50 million nationally for survivors of domestic violence (HUD Category 4). Funds can be used for new or expanded projects, and can be used for Rapid Re-Housing, Joint Component, or to help Coordinated Entry better meet the needs of those fleeing domestic violence.
