--	--	---	-----------------------------------

Agenda Item	Action Steps and Follow Up
-------------	----------------------------

Updates	There are no additional updates on the 2020 application.
----------------	--

Update to Equity Analysis efforts	Staff provided an update on efforts to coordinate with King County Performance, Measurement and Evaluation to explore strategies to create racial equity metrics for purposes of the annual NOFA. Additional discussions are needed to determine the validity and impacts of that approach.
--	---

2020 HUD CoC Program Application Process Proposal	Staff shared a proposal that outlines potential ways to move forward in preparation of multiple scenarios for the annual application. It is largely dependent on whether HUD will hold an annual, competitive process or not. Action: Staff will continue to update the committee as needed and when more is known about this year's application process.
